## PROFESSIONAL MEMBER BENEFITS

---

Our PROFESSIONAL member designation is open to architects, engineers, educators and members of industry associations.

### EXPERTISE

**Four Telephone Hotlines – FREE to Members** – These telephone lines are staffed by experts who can answer your questions. • Concrete Construction • Safety and Insurance • Decorative Concrete • Polished Concrete

**Position Statements** – 44 one-page papers cover topics such as “Moisture-Sensitive Floor Coverings on Concrete Slabs”, “Birdbaths”, “Tolerances”, and “Trowel Marks”. The statements are written for architects, engineers and others who need to understand the contractor’s point of view. There are eight Position Statements on decorative concrete topics.

**Contractor E-mail Forum** – Contractors submit and answer business and technical questions via e-mail. Invaluable advice from your peers on everything from curling to sealers to time sheets to vehicle use. A members-only, web-based archive contains all of the Q & A from the Forum for easy reference.

---

### NETWORKING

**Networking** – Annual events, committee meetings, MIX Groups and other special opportunities provide members the occasion to mix and meet not only with other outstanding contractors and suppliers, but with some of the best and brightest in the industry.

---

### SAFETY

**Safety Manual** – This comprehensive manual can be used as your basic safety program. Provided electronically, you can customize and print as needed for your company. First file provided **FREE** to ASCC members. Extra copies are available on flash drive to members for \$25.00 each (\$75.00 each for non-members).

**Safety Resources** – See page two for a partial list of safety resources available in the Safety & Risk Management Council section.

---

### EDUCATION

**Webinars** – 45-minute webinars, offered monthly, provide members access to speakers and topics from the comfort of their offices. A mix of business and technical topics have included Sealer Issues, Protecting Yourself From Slab Performance Callbacks, Accuracy and Productivity in Estimating, Approaching Business as a Process, and Managing Change Orders. Webinars are archived on the website for members only.

**Magazine Subscriptions** – **FREE subscriptions** to *Concrete International* and *Concrete Contractor* keep you and key personnel current with concrete construction technology and business issues.

---

### INFORMATION

**Monthly Newsletter** – Keeps you current with ASCC activities of value to you and your company. **Available electronically.**

**Member Directory** – The ASCC Member Directory lists all members of the ASCC by company name, delegate and alternate member names; includes address, telephone and fax numbers, and e-mail addresses.

## ANNUAL EVENTS

**ASCC Annual Conference** – This fall event brings together owners, project foremen and superintendents, estimators, safety directors, and other company managers for seminars, roundtable discussions, demonstrations, and fun.

**ASCC Concrete Executive Leadership Forum** – A unique opportunity each summer to exchange ideas, learn new management and leadership techniques and develop friendships with CEOs, owners and managers from the country's leading concrete construction companies.

**World of Concrete** – ASCC takes advantage of the major concrete event to host its Annual Meeting, a pre-show party, our Decorative Concrete Awards program, and other networking opportunities.

## SPECIALTY COUNCILS

**Decorative Concrete Council** – The DCC educates contractors on the technical and business aspects of decorative concrete contracting. The Council also promotes decorative concrete to designers, owners and other end users.

- Demonstrations and seminars at ASCC Annual Conference
- Awards competition
- Discounted and **FREE** decorative publications
- Community Projects

**Concrete Polishing Council** – The CPC serves as an educational resource for contractors and others in the design and construction industry. Programs include:

- Certification
- Specifications
- Educational Programs
- Position Statements

**Manufacturers' Advisory Council** – The board of this Council of associate member Council advises the ASCC on how the organization can provide the best value to its vendor members. The MAC has a strong voice in all sponsorship decisions that directly affect these companies.

**Safety & Risk Management Council** – This Council educates and provides materials to contractors on all aspects of safety relating to concrete contracting and insurance matters. The Council also provides oversight to ASCC on publications, demonstrations, etc., where we must display safe practices. Benefits include:

- Safety / Insurance Hotline
- Comprehensive Safety Manual
- Safety Management Plan – Produced by the SRMC to help small and medium-sized contractors develop and implement a sound safety program.
- Over 45 Job Hazard Analysis Forms
- Safety Bulletins – topics you use in solving your daily safety problems. These are **FREE** to members. Full sets are available at a discount.
- Discounted publications including *Tool Box Training (English and Spanish versions)*, *Employee Safety Handbook* and others (the first copy of many of these are **FREE** when you join).
- Awards competition

\* Vendor companies eligible to exhibit at The World of Concrete receive a 50 percent discount on their registration fee.
