ANNUAL CONFERENCE

2022

ASCC 2022 ANNUAL CONFERENCE SPONSORSHIP

Annual Conference

Cleveland, OH September 29 – October 2

\$6,000

Over 300 owners, managers, project managers, estimators, safety directors and others from across the country meet in September for educational workshops, seminars, demonstrations, roundtable discussions, networking and FUN.

Benefits: Two complimentary registrations, tabletop display, opportunity for new product (Shark Tank) presentations, signage and recognition at all Conference events, recognition in the ASCC newsletter and on the website, literature in the conference app.

Shark Tank Presentation

16 sponsors will have the opportunity to give a 5-minute presentation showcasing a product/service debuted in the three years prior to September 2023. Anticipating that we will most likely have over 16 sponsors, and that the majority of sponsors will want to participate, there will be a lottery drawing if we have over 16 submittals that meet the criteria. There is no additional cost for the Shark Tank presentation. Associate members who do not sponsor the conference are not eligible for Shark Tank. A moderator will oversee and manage the two sessions, Materials and Equipment. Both presentations will happen concurrently from 12:00 – 1:00, with lunch provided.
