

ASSOCIATE MEMBER BENEFITS

AMERICAN SOCIETY OF CONCRETE CONTRACTORS
ENHANCING THE CAPABILITIES OF THOSE WHO BUILD WITH CONCRETE

Associate memberships are for manufacturers, suppliers, publishers, ready mix producers, distributors and professional services members (consultants, insurance, legal, etc).

EXPERTISE

Networking - Annual events including World of Concrete, the Concrete Executive Leadership Forum (CELFF), the Annual Conference, committee meetings, and other special opportunities provide associate members the opportunity to mix and meet with contractors. Call for information on event sponsorship.

Member Directory - The ASCC Member Directory lists all members of the ASCC by company name, delegate and alternate names; includes all contact information. **This information is not available to non-members.** Advertising is available.

Speaking Opportunities - Associate members have the opportunity to present webinars and seminars on topics relative to their product/service expertise. **These cannot be product endorsements.**

Focus Groups - ASCC will arrange a contractor focus group for an associate member, in conjunction with a member event, to allow the associate to discourse with customers.

Mentoring Program - The ASCC Mentoring Program unites seasoned concrete construction professionals with members of lesser experience in a guided program to share knowledge and experience. Mentees can be any ASCC contractor or associate member looking for guidance in a particular area.

Monthly Newsletter - Keeps you current with ASCC activities of value to you and your company. Emailed **FREE** to members.

Event Discounts - Discounts on registration for ASCC events including the Concrete Executive Leadership Forum, Annual Conference and World of Concrete activities. Save on World of Concrete with code **A20** when you register.

Company Listing on Website - Every member receives a **FREE** listing on the ASCC website.

Magazine Subscriptions - A **FREE** subscription to Concrete International keeps you and key personnel current with concrete construction technology and ACI activities.

SPECIALTY COUNCILS

Manufacturers' Advisory Council - This board of associate members advises the ASCC on how the organization can provide the best value to its vendor members. The MAC has a strong voice in all sponsorship decisions that directly affect these companies.

Decorative Concrete Council - The DCC educates contractors on the technical and business aspects of decorative concrete contracting. The Council also promotes decorative concrete to designers, owners and other end users.

Concrete Polishing Council - The CPC serves as an educational resource for contractors and others in the design and construction industry. Programs include: Certification, Educational Publications and Programs, Position Statements, Awards Program.

Safety & Risk Management Council - This Council educates and provides materials to contractors on all aspects of safety relating to concrete contracting and insurance matters. The Council also provides oversight to ASCC on publications, demonstrations, etc. where we must display safe practices including On-site Safety Audits, S.T.A.R. self-evaluation program, and monthly virtual roundtables on a variety of topics. All members of ASCC are welcome to join the SRMC.
